Welcome Back to Term 2

Welcome back! We hope you had a wonderful relaxing family break and enjoyed time with your tamariki.

Term 2 is report time and we are looking forward to using Seesaw to share with you the progress that your child is making. We have developed a new reporting format and we think you will love it. Instead of one report coming out at the end of the term, as we have done previously, we will report to you every 2 weeks, on a different subject area (stating where your child is at and including a piece of evidence). At the end of the term a General Comment will be posted.

By the end of the term you will have a detailed picture of your child's overall achievement and can discuss this at Parent teacher interviews in the last week of term. We feel this will be a more dynamic and inclusive way of working with you.

**Teddy Bears' Picnic: Friday
May 7th**

We love to keep you updated with your child's achievements and we use Seesaw to do this. If you can not access Seesaw, please let your child's teacher know.
