Endangered Animals
- Weeks 5 & 6:**  
Animal Habitats / Animal Conservation
- Week 7 & 8:**  
Space
- Week 9:**  
Celebrations

## Kia Ora Whānau

Kia ora Whānau, welcome to our last term for 2022! It is a short term this term, packed with lots of fun activities, so make sure to keep an eye on the school website and facebook page for the latest information about what is happening. Our school is a "Sunsmart" school, and as such we have a no hat/no play policy in place for term 4. Please ensure that your child's hat is named. It is also a good idea to put sunscreen on your child before they come to school. School reports will be posted on Seesaw in week 8, but if you have any questions or concerns about your child's learning, or would like ideas of how you can support learning at home please see your child's teacher.

We love to keep you updated with your child's achievements and we use Seesaw to do this. If you can not access Seesaw, please let your child's teacher know.

## WHAT'S HAPPENING THIS TERM

### Zoo Trip

In week 5 of this term we will be going on a Zoo trip.

Part of our trip will be a session in the "Zoo Classroom" learning more around the conservation of animals and their habitats. This will link in with learning that we are doing at school.

We will be sending home information about this trip shortly and asking for parent helpers.

### Learning in Term 4

This term in P.E we will start with Athletics, then move onto a "Net and Wall" unit, followed by games using ball skills.

Our KURA focus is Kindness.

Our Art focus is Clay.

Our Te Reo focus is Kai - food.

In Maths we will cover Number Knowledge, Add/Sub and Mult/Div, as well as Algebra - Patterns, and Measurement - Mass.

### Reminders

As we are starting the term with an Athletics unit, please send your child to school in appropriate footwear.

Children should not be arriving at school before 8:30am in the morning.

We had a lot of lost property at the end of term 3. Please remember to name your child's clothing.

Term 4 can get warm, please send your child to school with a drink bottle of water.
